Don,

We are making progress but we have had to apply for multiple permits to secure the entire BID area.

Is there any way all of these permits can be condensed to one master permit by the BSL ? we cannot do this on line

Below are the multiple permits we have need to obtain to keep others from taking these locations

Can you ask the BSL how we can do this?

I am asking for your help on this as you seem to be able to get the BSL 's attention on such things

Also, the system will not let us apply for a year only 90 days at a time. See permit we applied for yesterday (last one)
